

Balanced Nutrition WellnessPro was designed by a recognized industry expert, Staff Nutritionist for the President of the United States and Staff Nutritionist for the United States Olympic Team, professor William E. Wheeler.

Balanced Nutrition WellnessPro™ for Men. The most advanced meal replacement ever developed especially for men. Recognizes the specifics of a man's body and satisfies needs in nutrients & vitamins. Contains proprietary protein blend & patented enzyme systems. Designed for general health and wellness.

- Use as a part of your weight management program*
- Helps increase body tone*
- Helps reduce premature aging*
- Improves joint health & function*
- Supports immune system & cardiovascular health*
- Supports eye health & vision*

GMO free and Aspartame free.

*Starting at the age 30, an average man loses about 1 lb. of the muscle tissue a year, which leads to decreased body tone and premature aging. The exclusive protein blend in WellnessPro™ in combination with the enzyme complex Aminogen® helps restore the muscle tissue and prevents future losses.**

Please visit www.WellnessPro.net for additional product information.

Directions: Blend 2 level scoops (32 grams) of WellnessPro™ Meal Replacement for Men with 8fl.oz. (240 ml.) of cold water, nonfat milk or your favorite non-alcoholic drink.

For Optimum Health: Replace one meal a day with a delicious WellnessPro™ shake.

For Weight Loss: Replace two meals a day with a delicious WellnessPro™ shake.

For Maximum Results: Replace two meals a day with a delicious WellnessPro™ shake.

Drink 1.5-2 liters of water daily. Exercise regularly.

Preserve in dry and cool place.

Manufactured exclusively for WellnessPro Incorporated.

Los Angeles, CA 91316, U.S.A. <http://www.wellnesspro.net> Made in the USA.
